PROT. NO. 764

25/11/2015

**TO THE SERBIAN MEDICAL SOCIETY -
BRANCH IN PIROT**

Esteemed Mr. President

The Board of Directors of the Medical Society of Kavala was made aware of your letter (via e-mail) and proposal for co-operation between the two Medical Societies of Kavala and PIROT. We have unanimously decided to respond positively to your proposal, as it will reinforce relations between the two Medical Societies, the two cities and, consequently, the people of Greece and Serbia.

We look forward to your suggestions regarding the next steps of this co-operation, such as the exchange of visits between the Presidents and Board Members of the Councils, in order to breath life into the twinning of the two Medical Societies of Kavala and PIROT.

**Sincerely,
Dr Xenofon K. Krokidis
President
Kavala Medical Society**
